“The venue was stunning and staff were very professional and simply couldn’t do enough for us. They were flexible and entertained every request with enthusiasm. The show was really good fun, and the food was lovely. I would have no hesitation in recommending the venue and evening experience to anyone.”

Karen, The View from The Shard (private Xmas event 2015)
This Christmas step into a winter fantasy and experience a medieval wonderland, set within a land of archaic culture where winter reigns long. This event will take you on a journey complete with knights and jesters, acrobats and dragons. Shout for your Wench or dance with a unicorn but come ready to eat a five course banquet with wine and ale and to finish the night with dancing till late.
